Sunday - Hello Nita & Jim,

We are having fun! Today we visited the Nat'l Zoo and saw the Pandas. Also took the tourmobile around Washington to Arlington Cemetary, Kennedy Center, Lincoln Memorial, White House & Capitol. Sat. we went to the Smithsonian museums! It is fun but tiring. Tomorrow we go to Gene Taylor's Office for a tour of the Capitol. We will start home on Tuesday sometime. Probably see you Friday! Love Tom, Leah, C & Sean
